**10<sup>th</sup> January 2017**

Dear Sir/Madam,

**Station Road works to commence in January**

I am writing to you on behalf of Hammerson regarding works that are due to begin to create the new bus route along Station Road.

Construction works will start on Monday 23<sup>rd</sup> January 2017 on Station Road through to Broadway, lasting for approximately 14 weeks. Hammerson has appointed Bowmer and Kirkland as contractor to undertake this work. As such, they will be contacting you shortly to introduce themselves, provide relevant contact information, as well as further information on the scope of works.

Further to Hammerson receiving planning approval for the extension of the Orchard Centre, the repurposing of Station Road into a bus route is important in the delivery of the extension and therefore the future growth of Didcot as a vibrant retail, leisure and dining destination in the local area.

You may also notice that initial works to prepare the site for the beginning of construction will begin on Monday 16<sup>th</sup> January. Further details regarding the timing of construction for the extension of the Orchard Centre will be provided in due course.

Hammerson would like to apologise in advance for any disturbance or disruption caused by the roadworks. Should you have any questions about the works or the expansion of the Orchard Centre, you can contact me by emailing [matthew.evans@glhearn.com](mailto:matthew.evans@glhearn.com) or calling 0344 225 0003.

Yours sincerely,

**Matthew Evans**
