Dear Cllr Moody and F&GP Committee,

Re: Didcot Town Council Grant of £3000 to King Alfred Drive Community Centre (KADCC).

The Trustees of KADCC would like to thank Didcot Town Council for their generous grant and for supporting KADCC to improve the centre to be able to continue to serve the community of Didcot.

Below are photos showing what we have done:

The grant has provided or contributed to the following:

- Redecorating and refurbishment of the main hall
- Replastering of two rooms (office and middle room)
- Paints and material to decorate two rooms and hallway
- New foldable tables and stackable chairs with storage trolleys
- New tv screens
- Magnetic whiteboards.

We are pleased with what we have achieved so far but there is loads more to do. We are grateful for the support from Didcot Town Council.

Yours sincerely,

Lisa Khan
